

3 March 1952

25X1

I have just recently received through

25X1

25X1

 your letter of 18 February 1952 and gave it very careful study over the week-end.

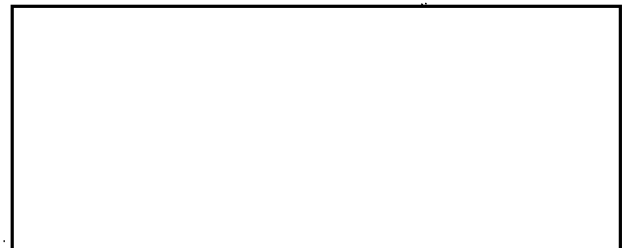

In view of the fact you are to be here in about a week, I will reserve further comment until then, but meanwhile want you to know that this thorough review has been most helpful to us all here.

Sincerely yours,

*W. A. R.*
